Book Bags of Hope
Recommended Offerings

Below is a list of food items that are recommended for the Book Bags of Hope. Basically, child friendly foods are best. Foods that children can fix themselves or foods that are simple and easy for parents to prepare. Individual servings are more child friendly and easier to carry especially for our younger/smaller students. Anything **non-perishable** will be greatly appreciated!

An example of the contents of a bag would include 2 or 3 main foods, 2 veggies, 2 breakfasts, 2 fruits and 1 or 2 snacks.
