

Per GS 115C-105.25(c), each LEA must post the 2016-17 State expenditures on its website by October 15th.

To ensure that parents, educators, and the general public are informed on how State funds have been used to address local educational priorities, each local school administrative unit shall publish the following information on its Web site by October 15 of each year:

- (1) A description of each program report code, written in plain English, and a summary of the prior fiscal year's expenditure of State funds within each program report code.
- (2) A description of each object code within a program report code, written in plain English, and a summary of the prior fiscal year's expenditure of State funds for each object code.
- (3) A description of each allotment transfer that increased or decreased the initial allotment amount by more than five percent (5%) and the educational priorities that necessitated the transfer.

NEW per HB 97 Section 8.33

- (4) A description of any transfer of funds from the textbook and digital resources allotment into another allotment category with an explanation of why the transfer from the textbooks and digital resources allotment was made to a different allotment category.
- (5) A chart that clearly reflects how the local school administrative unity spent State funds

The Division of School Business has provided documents for LEAs to use to comply with the requirements of Session Law 2013-360 section 8.14(c) parts (1), (2) and (5). These documents are posted on the FBS website at www.ncpublicschools.org/fbs/resources/data/ "Annual Expenditure Report by LEA". LEAs may use these documents to fulfill (1), (2) and (5) of the legislation.

LEAs are required to complete (3) and (4), if applicable.

Description of Program Report Codes Used in Expenditure of State Funds 2016-17

Program Report Codes (PRC)

A program report code (PRC) is an accounting term and is used for the allocation and accounting of funds. The PRCs (allocations) may change from year to year depending on the actions of the General Assembly, whereby they may add new programs or discontinue old programs.

The [Highlights of Public School Funding](#) provide a summary of the types of funding provided to school districts and the formulae used for distribution of the major appropriations.

Please see the [Allotment Policy Manual](#) for more information on each of the items listed below.

SUPPLIES AND MATERIALS (400 Series)

A supply item is any article or material which meets any one or more of the following conditions: 1) it is consumed in use; 2) it loses its original shape or appearance with use; 3) it is expendable, that is, if the article is damaged or some of its parts are lost or worn out, it is usually more feasible to replace it with an entirely new unit rather than repair it (which is not true of equipment); 4) it is an inexpensive item, having characteristics of equipment, whose small unit cost makes it inadvisable to capitalize the item; and 5) it loses its identity through incorporation into a different or more complex unit or substance.

SCHOOL AND OFFICE SUPPLIES (410)

411 Supplies and Materials

All supplies, materials and workbooks used in the school system for instructional and non-instructional purposes. Examples of supplies: construction paper, crayons, pencils, pencil sharpeners, and other small unit cost equipment that meets the criteria for a supply item as outlined above. Examples of workbooks: map skills, handwriting, bookkeeping workbooks, etc. Includes amounts expended for supplies and materials other than instructional supplies. (Expendable tools used in the garage and School Food Service should be recorded here.) Includes amounts expended for periodicals and newspapers. A periodical is any publication appearing at regular intervals of less than a year and continuing for an indefinite period. Includes amounts expended for audiovisual supplies and materials in the local school administrative unit. Includes amounts expended for processing and cataloging books and materials in a school library. This would include kits and other supplies used for this purpose. Includes amount for subscriptions to internet based educational resources and for the purchase of online educational media/materials used for the instruction of pupils.

412 State Textbooks

Amount of the State Textbook fund expended for prescribed textbooks purchased for pupils or group of pupils, and resold or furnished free to them.

(3) A description of each allotment transfer that increased or decreased the initial allotment amount by more than five percent (5%) and the educational priorities that necessitated the transfer.

Davie County Schools uses the Local Education Agency Budgetary Flexibility that is provided to schools. This flexibility enables Davie County Schools to maximize the use of our state allotments in an effort to reach our educational priorities.

The following transfers increased or decreased the initial allotment amounts in 2016-17:

Non-Instructional Support allotment was increased with funds from the following allotments: Academically/Intellectually Gifted, Limited English Proficiency and At-Risk Student Services. These transfers provided additional funds for the salaries and benefits of non-instructional support personnel.

Classroom Materials/Instructional Supplies and Equipment allotment was increased with funds from the following allotments: Textbooks. These transfers provided additional funds for the purchase of classroom materials/instructional supplies and equipment, and digital resources.

CTE Program Support allotment was increased with funds from the following allotments: CTE Months of Employment. These transfers provided additional funds for the purchase of CTE supplies, materials and equipment.

Waiver for Certified Personnel was increased with funds from the following allotments: Non-Instructional Support, Low Wealth Supplemental Funding and Classroom Materials/Instructional Supplies and Equipment. These transfers provided additional funds for the salary and benefits of two teachers.

(4) A description of any transfer of funds from the textbook and digital resources allotment into another allotment category with an explanation of why the transfer from the textbooks and digital resources allotment was made to a different allotment category.

Davie County Schools transferred textbook funds into Classroom Materials/Instructional Supplies and Equipment for the purpose of purchasing classroom materials, instructional supplies, instructional equipment, and digital resources.
